To be a Christian without prayer is no more possible than to be alive without breathing.

Be still (and silent)

“We need to find God, and he cannot be found in noise and restlessness. God is the friend of silence. See how nature – trees, flowers, grass – grow in silence; see the stars, the moon, the sun, how they move in silence . . . The more we receive in silent prayer, the more we can give in our active life. We need silence to be able to touch souls. The essential thing is not what we say, but what God says to us and through us. All our words will be useless unless they come from within – words which do not give the light of Christ increase the darkness.” – **Mother Teresa**
